30x30	£398
36x36	£479

Our gorgeous Canvas Tray Frame is left open without glass with a Matte Canvas Print sitting flush with the front of the solid wood frame for a beautifully minimalist feel.

A shadow gap is left between the inside edge of the Tray Frame and the side of the canvas creating a more dramatic version of the negative space provided by a traditional mount.

Upgrade to a stunning varnish coating that protects the canvas from dust and scratches for just £30 - £60 depending on size
